volunteer incentive program

We simply cannot express how much we appreciate our volunteers and all the time and energy they provide. They truly help us to succeed in providing the best service and programs for our individuals. The Volunteer Incentive Program is our way of saying "Thank You, we really couldn't do it without you!"

volunteer incentive program

We value the many contributions of our volunteers and encourage them to continue to make a difference in the lives of those we serve. That is why we have developed our Volunteer Incentive Program (VIP). The VIP has been designed to recognize those volunteers who continuously find the time to help our agency. The VIP allows us to give a small token of appreciation to MCBDD volunteers who give of themselves to enhance the lives of the over 1100 individuals we serve in Medina County.

How the Volunteer Incentive Program Works

Each time you volunteer for the MCBDD make sure to record your hours, either on your service record (for regularly scheduled volunteers) or sign-in sheets (for special events and projects) Only documented hours - those recorded on volunteer time sheets and sign-in sheets - will be counted towards the incentive program.

The volunteer coordinator will keep track of the volunteer hours you accumulate (starting January 1, 2010). Volunteer hours will be continuously collected and will carry over and accumulate from year to year.

Once you have accumulated enough hours to reach an incentive level, the Volunteer Coordinator will send you a letter outlining your accomplishment and a form containing the gift level from which you may choose. Simply fill out and return the form to the Volunteer Coordinator by the date stated. Within a few weeks, your gift will be mailed to you.
