

Informational Meeting

Topic: Voc/Hab Area Transition

While the information provided during this meeting will be provided as a follow-up for the individuals and families involved in the MCBDD Voc/Hab service area transition, everyone is invited to join us for this opportunity to learn more, ask questions, and offer feedback.

Also, representatives from Midwest will be on hand to answer questions about their new Voc/Hab Services at the Achievement Center, available in May 2019.
