

SURVEY FOR SPECIAL OLYMPICS OHIO MEDINA COUNTY SPORTS

The following is a list of the sports that we offer. Please check off the sport(s) that your athlete is truly interested in and will commit to practicing for a minimum of two times per week for a minimum of two months. This is an interest survey and does not commit the athlete to participate, nor does it guarantee the sports availability. For each sport you check, I will contact you regarding information about practices and schedules as the season is approaching. An athlete may do more than one sport at a time if the state meet for the sports are scheduled differently and if practices do not conflict.
