Wildcats

## Drop Off and Pick Up at Windfall School

**All students are to be dropped off along the sidewalk near the doors at the north end of our building.** Parents/individual transportation and school vans will enter the first driveway (the north-most entrance) and wait in line to drop their students off at the sidewalk. Our Windfall School staff will be waiting at the sidewalk to greet their students in the morning and will bring them out to you in the afternoon. Vehicles will then loop around the parking lot and exit out the same driveway from which they entered. Please see the diagram below to aid your understanding of our traffic pattern.

This system of drop off and pick up allows all of our students to leave vehicles more safely and not have to walk where vehicles may be moving. We appreciate your understanding and compliance with this process.

*Parents who wish to walk their children into the building should park in the front parking lot and enter the building via the front school entrance.*
