The Medina County Board of DD is offering a Transportation Resource Series, open to anyone interested in gaining information about transportation options currently available in our community.

Each session will educate the audience about community transportation resources and how to access them, along with the financial and personal responsibilities that accompany them.

The first session, July 23, will cover general information and Medina County Public Transit. Additional sessions will cover Uber, Lyft, learning to drive, and more.

*All sessions will be held at the
Medina County Achievement Center
(4691 Windfall Rd. Medina, OH 44256)
in Board Conference Rooms 1 and 2.*
