# - Upcoming Virtual Presentation -

## At-Risk Resident Registry Training

**Wednesday,  
March 24**

**6:00 pm**

Live-stream on the Medina County Board of DD YouTube channel. Questions will be taken through the live chat function.

The Medina Police Department recognizes the need to be aware of the at-risk population it serves, and has begun using a voluntary "At-Risk Resident Registry" form. This form helps officers be proactive with individuals who have a variety of disabilities, such as developmental disabilities, Alzheimer's, dementia, or are non-verbal, or if they are in need of specialized medical attention.

Learn more about the At-Risk Registry Form by joining the Medina County Board of DD and Officer Sara Lynn, from the Medina Police Department, for a mini training regarding who should fill out the form and the situations in which this form may play a vital role.

**ANYONE IS WELCOME TO ATTEND**

**Registration  
Required**
