

Helping local
non-profits through

amazon smile

AmazonSmile is a simple way for anyone to support their favorite charitable organization every time they shop on Amazon.

When someone shops through AmazonSmile they are able to donate 0.5% of eligible purchases to a charitable organization of their choice - no fees, no extra costs.

The MCBDD purchases items through Amazon throughout the year. Each year the MCBDD will pick at random a local non-profit to be designated the recipient of MCBDD donations through the AmazonSmile program.

The non-profit must:

- help people with developmental disabilities in Medina County
- be registered with AmazonSmile and meet its criteria
- complete and return an MCBDD interest form

Here's How It Works...

A non-profit registers with AmazonSmile through the Amazon website.

Once registered (and before December 1 of each year), the non-profit must complete a form which will notify the MCBDD that they wish to be included on our list of potential recipients for the following year. Forms are available on the website and may be filled out at any time during the year, but only those received before December 1, will be considered for the following year's donation.

During December of each year, the MCBDD will at random choose a non-profit from the verified forms and designate it to receive the MCBDD AmazonSmile funds for the next year only. Non-profits will only be eligible to receive funds once in a five-year period, unless no other non-profits are available to select.

The MCBDD cannot guarantee nor predict the total amount of funds which a non-profit may receive within the year and has no responsibility in the administration of the AmazonSmile program and release of funds to a non-profit. AmazonSmile funds are distributed by Amazon on a quarterly basis. The MCBDD is not responsible for issuing any funds.
