Ella Sigler

What do you like to do in your free time?

I like spending time with my family, playing with my dogs, and making quilts.

How long have you worked as a Direct Support Professional?

I have worked as a Direct Support Professional for 5 years.

How did you start in the field?

My daughter thought I would enjoy it.

What is your favorite thing to do with the people you serve?

I enjoy teaching them new things and watching how excited they get when they learn something new. I learn from them, too.

What is your favorite part of being a Direct Support Professional?

The clients! They are so amazing.

What makes Ella such a great DSP?: Ella is one of The Society's Direct Support Professional (DSP) Heroes! Ella is a compassionate advocate, teacher, care giver, and friend. She goes above and beyond for her team. For example, Ella has an amazing quilting talent, and one day, Laura Lee asked if she could try to quilt, too. Since then, the two have been a dynamic duo creating masterpieces for friends, family, and auctions to raise money and awareness for those with developmental disabilities. When Covid-19 hit, Ella and Laura Lee jumped right in and began making masks to keep their friends at The Society safe and healthy.

Thank you for your outstanding contributions to helping people with developmental disabilities and their families in Medina County. Thank you for sharing your dedication and commitment to making a difference in the lives of others every single day.
