## Agency Overview

Onebridge Center has been in business since 2014, with a goal of helping individuals break barriers to employment through Job Readiness Training. They do this by providing basic computer skills training, PC Specialist training, Administrative Assistant training, and Customer Service/Call Center training. Onebridge Center currently serves 10 individuals throughout Medina and Summit County with the help and guidance of five staff members.

Onebridge Center also provides Vocational Rehabilitation for IO Waivers, Self Waivers, Level-One and school contracts, and soon will be providing vocational rehabilitation for OOD clients. They are currently accepting new individuals.
