Matt - Records Clerk

Matt is employed by Windfall Industries, and is currently assigned to the Confidential Records Department at the Medina County Board of Developmental Disabilities. When Matt started working at the MCBDD in May of 2008, he started in the Business Office. He has worked hard to make in into the Confidential Records Department, and his job now consists of scanning confidential files into the computer system and managing the files of past and present individuals served by the County Board. Shannon Lees, Matt's supervisor, stated, "Matt pays great attention to detail and loves to streamline processes to make his and his coworker's jobs quicker and easier." Mary, Matt's coworker, said "Matt always offers to help his coworkers when needed and has a great sense of humor. He always has a positive attitude towards all of his work tasks." "I enjoy my job and I'm close to my coworkers, Mary, Tammy S. and Tammy V.. This is like my second home because I have been here for so many years," Matt said. "It is a friendly and stable working environment." In the future, Matt said that he would love to find a job that has to do with computer engineering or graphic design. He also loves to study math in his free time.
