Rocky - Records Clerk

Thirty seasons ago, Rocky started working as a Groundskeeper at Hinckley Hills Golf Course, which is in the northeast part of Medina County. Throughout his many years as a Groundskeeper, Rocky has worked in a number of weather conditions, from beautiful spring days to damp, rainy days, and his job responsibilities change as quickly as the weather. One job that never changes for Rocky, though, is grass cutting and maintenance. Rocky prioritizes his job duties and gets them done with little supervision. To say the least, he is a dedicated employee who puts pride in all his work. "My goal is to continue working as long as I am able," Rocky said. Rocky's supervisor stated, "The opportunity to work with Rocky has been a pleasure. Every time the two of us have met, he always has a smile on his face and a positive attitude. Rocky has a good personality and is a kind, genuine person. Rocky always has nice things to say about the owner of the golf course and how he enjoys working here, and he tells me that he's going to keep working here as long as he's healthy. I wish him the best for many more years."
