Enhance Ability, LLC was started in 2017 and has been serving Medina County ever since.

According to Melissa Kucera, President/CEO of Enhance Ability, "Since I was 17 it was my passion and drive to work with individuals with disabilities and to one day start my own company." The company provides service through its dedicated staff of 57 members.

Enhance Ability provides a wide array of services including Residential, Adult Day Services and works with people who have I/O, Self, Level One Waivers and with local funding and payee services.

Enhance Ability currently serves 22 people in residential services and 29 people through its Day Adult Service program. They are currently accepting new individuals.
