Agency Overview

Midwest Community Services was founded in 2000 by Joseph and Kristine Knetzer to provide superior supports to persons with intellectual and developmental disabilities.

Midwest Community Services is a Medicaid provider which offers a variety of day program services including Adult Day Support, Vocational Habilitation and Non-Medical Transportation. They have several Community center locations throughout Ohio and continue to grow.

They proudly provide adult day and vocational service supports at the Medina County Achievement Center located on Windfall Road. As a private provider within Medina County, Midwest is able to connect the adults they provide care to with other adults and opportunities in Medina County.

The Medina Location currently serves 53 individuals and employs 6 staff. It accepts the Individual Options Waiver (IO), Level One Waiver and the Self Waiver. There is currently a waiting list for new individuals. If interested, tours of the facility are available.
