The portable ramp is an inexpensive option to promote accessibility into a place of business. Whether you are looking to accommodate wheelchair user's or those with a cane, walker, crutches or a stroller. The portable ramp is a great option as it can be placed on top of your existing steps when the need arises. This item is lightweight and comes in many sizes and weight limits and can be purchased through Amazon.

When you pair the portable ramp with an outside doorbell it allows customers to call for assistance. Wireless doorbells are easy to install and can also be purchased on Amazon
