Lisa Birklund, MA, LSW — Medicare, Medicaid & Dual Special Needs Programs

Lisa Birklund has been a Licensed Social Worker since 1990 and has spent the last 40 years working in the fields of Developmental Disabilities, Geriatrics, Home Care, Hospice & Mental Health. She worked for Stark County Board of DD as the SSA Manager. Three years ago she obtained her Health Insurance License. She discovered that many parents/guardians of children/family members with DD are not aware of benefits that might be available to them, especially Medicare, Medicaid and Dual Special Needs Programs. She is also well-versed in Waivers and works with Ohio Health Benefits. As a volunteer guardian of a lady with DD for 18 years, she has a passion for helping others obtain benefits to which they are entitled. She looks forward to explaining benefits and eligibility parameters to the group.

Parent Mentors of Medina County will be presenting monthly gatherings of families of special needs school age children. Each month a professional will speak to parents/grandparents on relevant topics. The group will meet at MCBDD. Families are welcome and encouraged to bring their children to engage with their peers. Please feel free to bring your child(ren) and activities for them to do. We are NOT providing child care at this time but we will have helpers to help keep them busy, so parents can socialize and listen to our featured presenter. This program will be free of charge but the sponsors are requesting a registration to plan for accommodations. Contact Kim Hawkins, Parent Mentor Brunswick City Schools khawkins@bcsoh.org.
