Tim Gregory

What do you like to do in your free time? Work LOL! (Tim picks up LOTS of hours for agency he works for!) I like to take walks, go to movies, dine out with wife, enjoy watching a little bit of sports.

How long have you worked as a Direct Support Professional? 9 years

How did you start in the field? I thought working with DD population was interesting, chance for interacting with people – I am kind of shy but this helped my confidence.

Has there ever been anyone that has stood out to you as a mentor in this field? Yes, Loreen Dexter, a QIDP, got me more involved in a career pathway, cross training, building up my knowledge base about the people we serve. Also, Deb Graves, who hired me and always boosted my confidence.

What is your favorite thing to do with the people you serve? Playing sporting games or helping them with laundry.

What is your favorite part of being a Direct Support Professional? Coming in every day and learning about these guys, helping everyone grow and have fun.

What makes Tim such a great DSP? Tim works at numerous homes and is available at a moment's notice. He picks up hard-to-fill shifts and rarely says no when asked to cover. Tim is devoted to his work and individuals. He puts a smile on faces when he walks in the door. We are so appreciative of the impact Tim has at The Society!

Thank you for your outstanding contributions to helping people with developmental disabilities and their families in Medina County. Thank you for sharing your dedication and commitment to making a difference in the lives of others every single day.
