

# Ohio Tech Ambassadors talk Assistive Tech Smartphone Apps!

Wednesday, Feb 15 at 1pm

This event is for families and individuals with disabilities who are interested in learning more about supportive and assistive technology.

In this virtual event our Tech Ambassadors will talk about their favorite Assistive Tech Smartphone apps! We'll hear what these apps do, how much they cost and how they can be used to improve independence and we'll talk to participants about their own Smartphones!
