How did you start in the field? I was working with a wonderful nurse named Tony Kirby, and he recruited me to Transitional Living Centers (TLC).

Has there ever been anyone that has stood out to you as a mentor in this field? There have been a few that have stood out Bev Dreher, Nicole Walker, Kristen Pronik, and Kelly Pronik.

What is your favorite thing to do with the people you serve? Spending time with them, no matter what the activity.

What is your favorite part of being a Direct Support Professional? Getting to know the clients and spending time with them.

What makes Sheri such a great DSP? Sheri always goes above and beyond. She always picks up extra shifts and is willing to work any shift... She has a positive attitude and is always happy and smiling. She makes sure our clients are happy and well cared for. Sheri has come in for our guys so they are able to go on outings. She has even come in last minute numerous times, when there wasn't staff at the house or to cover last minute call offs. She has also made shirts for our guys for Halloween.

Thank you for your outstanding contributions to helping people with developmental disabilities and their families in Medina County. Thank you for sharing your dedication and commitment to making a difference in the lives of others every single day.
