

- Benefits Information -

Have you ever had questions about Social Security and Medicaid Benefits for yourself or a family member?

Do you understand the different Social Security Benefits an individual with disabilities can receive, and how?

Do you know how someone with a disability can receive Medicaid Insurance?

Did you know there are different ways to continue your benefits, have earned income, and what can affect your benefits?

The Medina County Board of DD can be a resource in answering some of the most frequently asked questions such as differences in Social Security Benefits, how to obtain Medicaid insurance, and how to ensure benefits are maintained when working towards independence.

If you have questions on how to apply for benefits or about your current benefits call Kim Bernardi, MCBDD Quality Support Specialist, at kimb@mcbdd.org or 330-725-7751 ext. 144
