Beth Allen

What do you like to do in your free time? I love to spend time with my husband, children and my 1-year old grandson, and soon to be granddaughter. I am also on the Board and Volunteer at Medina Showbiz

How long have you worked as a Direct Support Professional? My nephew, Miles, has been living with us for six years, and I've spent the last two years as an independent provider.

How did you start in the field? Under unfortunate circumstances, I was able to welcome my nephew into our home six years ago. Through working and learning with him, I was introduced to independent providing.

Has there ever been anyone that has stood out to you as a mentor in this field? Craig Kroh and Robin Dickson. They are the best and I don't think I could have done it without them.

What is your favorite thing to do with the people you serve? I love doing activities that they enjoy. I find it fulfilling and incredibly rewarding.

What is your favorite part of being a Direct Support Professional? My favorite part is the flexibility that the job allows.
