medina county board of developmental disabilities

- Understanding - Communicable Diseases

Tuesday, September 22

11:00 am - 12:00 pm

This presentation will take place virtually via Microsoft Teams.

With flu and cold season coming up, join the Medina County Health Department to gain a better understanding about the spread and reporting of communicable diseases. Learn more about prevention measures, what is reportable and when to call the Health Department.

ALL PROVIDERS ARE WELCOME TO ATTEND
